

Authentic Buenos Aires

06 DAYS / 05 NIGHTS | DAILY DEPARTURES

DAY 01: BUENOS AIRES

Arrival at Ezeiza International Airport. Meet and greet, followed by a transfer to the [Ker Hotel San Telmo 3*](#) or similar. Day at leisure to get a first feel for **Buenos Aires**, Argentina's vibrant capital, famous for its blend of European architecture, rich cultural life, and passion for tango, soccer, and good food. On this first day, we recommend visiting: **Café Tortoni**, the city's oldest café, founded in 1858, with its unmistakable French style and imposing facade from 1898, the work of the renowned architect Alejandro Christophersen. **Confitería La Ideal**, one of the most iconic and majestic Bares Notables (Notable Bars) of the city. Founded in 1912 by the Galician merchant Manuel Rosendo Fernández, it is now a jewel of the Buenos Aires *Belle Époque* in the heart of the Microcentro (downtown). At lunchtime, it is hard to resist an Argentine-style pizza at **Güerrín** or **Las Cuartetas**. In the evening, we will enjoy a **dinner show** — a three-course menu with one bottle of wine for every two people, with tango and folklore performances — at [Michelangelo](#), in the historic heart of the city, in the San Telmo neighborhood. The current building dates from 1885, and one of its main attractions is a network of 18th-century tunnels once used for smuggling. Accommodation at the selected hotel. **Overnight in Buenos Aires.**

DAY 02: BUENOS AIRES

Breakfast. In the morning, we will begin our five-hour **premium city tour** (bilingual in Italian on Monday, Wednesday, and Friday afternoons). This excursion offers a complete picture of Buenos Aires, showing areas of the city that are part of the everyday life and customs of the porteños, such as the promenades of Tres de Febrero Park, the racecourse, and the polo grounds. It also covers historic areas such as Plaza de Mayo (with a stop), San Telmo, and La Boca. We will make a stop in La Recoleta to see its world-famous cemetery (admission not included) and the Church of El Pilar. We will also see other city landmarks such as the Metropolitan Cathedral, the Obelisk, and its main avenues, notably Corrientes, De Mayo, 9 de Julio, Alvear, and Del Libertador. We will discover the most historic neighborhoods, such as La Boca (with a stop) and San Telmo, aristocratic Palermo and Recoleta, and modern Puerto Madero, as well as Lezama Park and the commercial and financial districts. Return transfer and accommodation at the selected hotel. **Overnight in Buenos Aires**

DAY 03: BUENOS AIRES / CAPILLA DEL SEÑOR / BUENOS AIRES

Breakfast. Today we will enjoy a typical **Argentine Día de Campo (Day in the Countryside)**. We will travel to Capilla del Señor, just over 90 km from the city of Buenos Aires, to [Estancia Don Silvano](#), built in 1930 and covering 380 hectares. On arrival, we will be welcomed with empanadas, wine, soft drinks, and mineral water; we can then enjoy horseback, carriage, and tractor rides, as well as a tour of the facilities. At 13:00, we will be served a typical **Argentine asado (barbecue)** with different cuts of beef and salads, accompanied by drinks (wine, beer, soft drinks, and water), with traditional flan for dessert. During lunch, we will enjoy a show of folk singing and dancing, and once it is over, the gauchos will show off their traditional skills (destrezas criollas). We will round off the gaucho experience with a **country-style afternoon snack (merienda campera)**: mate cocido (yerba mate tea), tortas fritas (fried dough), and pastelitos (pastries). At 16:30, we head back to the city of Buenos Aires. Arrival and accommodation at the selected hotel. **Overnight in Buenos Aires** (operates Wednesdays, Fridays, Saturdays, and Sundays). For a supplement, it can be replaced with [Estancia Santa Susana](#) (operates Tuesdays, Fridays, and Sundays) or with the premium experience at [Estancia El Ombú](#) (daily departures).

DAY 04: BUENOS AIRES / TIGRE DELTA / BUENOS AIRES

Breakfast. Today we will discover the **Tigre Delta**, just 40 km north of the city, a place chosen by thousands of porteños to get away from the daily routine and enjoy nature. Along the way, we will see, within the city, Ciudad Universitaria (the university campus) and the River Plate stadium, and in Greater Buenos Aires, highways and industrial areas. Once in Tigre, we will stroll around and explore the Puerto de Frutos, a kind of bazaar where locals shop for household goods, ideal for picking up authentic souvenirs. Next, we will visit Paseo Victorica, with a stop in the gardens of the Museo de Arte Tigre (Tigre Art Museum). By then it will be time for **lunch**, and we will head to [María Luján Ristorante](#), overlooking the Luján River, unique for its location, its river views, and the quality of its food. After lunch, we will continue our tour to the Port of Tigre, where we will board a boat to take in the panoramic views as the captain navigates the waters of the Tigre Delta and the Río de la Plata. We will see the neighborhoods of San Isidro, Martínez, Olivos, and Núñez, and watch as, little by little, the little houses along the shore turn into skyscrapers as we approach the modern district of Puerto Madero; we will also see the parade of planes departing from and arriving at the Metropolitan Airport. (operates Wednesday through Sunday; depending on the day of departure, the order of the tour may change). Accommodation at the selected hotel. **Overnight in Buenos Aires.**
